INTRODUCTION

Senator Murphy, by your conduct and voting record as a self-proclaimed, proud Progressive, you have demonstrated your commitment to destroying America as a Sovereign Constitutional Republic—everything that Patriotic Americans have sacrificed to defend. You have violated your oath of office which pledges to support the Constitution of the United States against all enemies, foreign and domestic, and you are openly consorting with or supporting America’s sworn enemies, including the Communist Party USA, Hamas, CAIR, Iran, Russia, and China.

More precisely, your voting record described herein proves your support of the flood of illegal aliens with pathways to illegal voting, runaway inflation, Hamas and Iran’s attack on Israel, massive fentanyl deaths, a nuclear Iran, and denial of weapons from law-abiding citizens.

Senator Murphy, explain yourself!

House Un-Americans Part 2 of 6

In his House UnAmericans series, researcher **Trevor Loudon** profiles more than 90 currently-serving U.S. Congressmembers, exposing their ties to anti-American elements – both foreign and domestic – using irrefutable source materials. This volume, Part 2 in the series, profiles seventeen congress members from Southern California, Colorado and Connecticut.

SENATOR MURPHY: **EXPLAIN YOUR VOTE!** *THE BORDER*

YOU SPONSORED a bill that permits the continual processing of illegals when the emergency authority has been activated (i.e., the time when the border is supposedly shut down).

S 4361 - Border Act of 2024

Vote to invoke cloture on a bill that authorizes emergency supplemental appropriations for border security and combatting fentanyl for the fiscal year ending September 30, 2024.

Top Senate Democrat lets the truth slip about the so-called border bill: 'The border never fully closes'

Chris Enloe

(Biden) basically just wants more money for "processing" illegal invaders who say the password "asylum," handing himself a 4,999 illegal crossings quota amounting to more than a million illegals a year, and taking the asylum process away from immigration judges and placing it likely in the hands of NGOs in what will now be called "asylum officers." Money for NGOs who enable cartels and encourage illegal border crossers of course, will flow.

Murphy explained the emergency authority that (Sen. James) Lankford argued permits the president to 'close the border' is temporary — and doesn't even result in a full closure. "It allows the president to funnel asylum claims to the land ports of entry when more than 5,000 people cross a day. The border never closes, but claims must be processed at the ports. This allows for a more a more orderly, humane asylum processing system."

-Sen. Chris Murphy

SENATOR . MURPHY: **EXPLAIN YOUR VOTE!** *BORN-ALIVE ABORTION SURVIVORS*

YOU VOTED AGAINST establishment of a specific degree of health care to be provided to a child born alive after an abortion or attempted abortion.

S-311 (116th): Born-Alive Abortion Survivors Protection Act

Vote on a motion to invoke cloture on a bill that establishes requirements for health care practitioners to exercise in the event that a child is born alive following an attempted abortion. or attempted abortion. <https://justfacts.votesmart.org/bill/27667/71282/120012/born-alive-abortion-survivors-protection-act1>

Dr. Susan Berry

“Let’s speak plainly: This is barbaric. The Born-Alive Abortion Survivors Protection Act would do nothing more than require that health care providers offer to a baby who survives an abortion the same level of medical care they would give to any other baby at the same gestational age.”

- Sen. Ben Sasse

The public supports policies like the Born-Alive bill.

Why was the vote split on party lines?

“Regardless of the circumstances a baby comes into this world, he or she must have the same rights and protections that you and I have.”

I will never forget the day when our former Governor, Ralph Northam (D) admitted publicly that he believed it permissible, both as a physician and as governor, to allow survivors of botched abortions to be left to die even after they were born alive.

SENATOR MURPHY: **EXPLAIN YOUR VOTE!** *ILLEGALS AND TAXPAYER DOLLARS*

YOU VOTED AGAINST an amendment that would prevent our taxpayer dollars from being spent on illegals' flights into the U.S.

S. Amdt. 1740 to H.R.2882 (118th): Further Consolidated Appropriations Act, 2024

Motion to concur on the Budd Amendment to the House message to accompany HR 2882, the Further Consolidated Appropriations Act

Hagerty noted that it is reported that 320,000 people have been flown in from other countries into Blue City airports. These are secret flights that have mostly been left unreported. A few flights were reported here and there in 2021 when the program began. Then the reporting stopped. Now the flights are back in the news . . . every Congressional district in the United States has been affected

by the Biden border crisis and how DHS is moving illegal aliens around the country . . .

"It's a simple question. All Senate Democrats answered incorrectly. They are perfectly fine with American taxpayers being on the hook for air travel expenses for non-citizens to fly into the United States and settle in communities across the country."

- Sen. Bill Hagerty

SENATOR MURPHY: **EXPLAIN YOUR VOTE!** *ILLEGALS AND THE CENSUS*

YOU VOTED AGAINST including a citizenship question in the U.S. Census to distinguish between citizens and non-citizens for apportionment purposes, thereby distorting our representation in Congress for your benefit.

Move to include an amendment attached to the \$460 Billion Spending Package

Move to include an amendment requiring the Census Bureau to include a citizenship question in any future census. <https://www.govtrack.us/congress/bills/118/hr7109/summary>

Stop Allowing Noncitizens To Determine Congressional and Presidential Representation

<https://www.heritage.org/immigration/commentary/stop-allowing-noncitizens-determine-congressional-and-presidential>

*Lora Ries, Border Security and Immigration Center
RJ Hauman, The Heritage Foundation*

"Barring the Census from including noncitizens in apportionment is critical in making sure that American citizens—the only population who can and should vote in U.S. elections—are picking America's leaders.

No longer including noncitizens in apportionment will help ensure that only American citizens will shape our political landscape and pick future leaders. Letting states include millions of aliens in their Census counts is the equivalent of letting foreign countries determine the political destiny of the United States, which is unacceptable.

Adam Shaw, Fox News

"I think most people in America are shocked to find out that we count the presence of illegal immigrants in determining the allocation of congressional districts and electoral votes."

- Sen Bill Hagerty

SENATOR MURPHY: **EXPLAIN YOUR VOTE!** *ILLEGALS AND LAW ENFORCEMENT*

YOU VOTED AGAINST our ability to keep our country safe by deporting an illegal that assaults a law enforcement officer, or preventing them from obtaining legal status or citizenship after committing theft.

Vote to attach the POLICE Act Amendments to the Second Government Funding Package (3/23/24)

Amendment 1: Prevent illegal aliens who commit the crime of assaulting a law enforcement officer from ever obtaining legal status or citizenship.

Amendment 2: Prevents illegal aliens who commit the crime of burglary, theft, or shoplifting from being granted legal status or citizenship.

<https://www.budd.senate.gov/2024/03/23/budd-fights-to-stop-illegal-aliens-who-assault-police-commit-theft-from-becoming-citizens/>

"We are in the middle of the worst border crisis in U.S. history. The story of this crisis is one of preventable tragedies compounding day after day. And sadly, we've seen it in North Carolina less than two years ago, when Wake County Deputy Sheriff Ned Byrd was killed in the line of duty. He was murdered by illegal aliens who should have never been in this country."

- Sen. Ted Budd

Senate Democrats were threatening a government shutdown over these amendments .

After Senate Democrats resisted a fair, up-or-down vote, Senator Budd forced the chamber to vote on both amendments. All 51 Senate Democrats opposed both.

"Tonight, we're fighting for two principles: If an illegal alien harms a police officer, they should get deported. If an illegal alien commits the crime of theft or shoplifting, they get detained. Democrats would rather shut down the government than do the right thing."

- Sen. Ted Budd

SENATOR MURPHY: **EXPLAIN YOUR RESPONSE!**

THE BORDER

With regards to the bipartisan Emergency National Security Supplemental Appropriations Act, which would cost taxpayers \$118 billion (\$60 billion of which goes to Ukraine and only \$20 billion would be spent on the border crisis), Murphy's co-author Sen. James Lankford (R-Okla.) denied the bill would allow 5,000 migrants to enter the U.S. per day.

Murphy, on the other hand, maintains the president will funnel asylum claims to the land ports of entry when more than 5,000 people cross a day. The border never closes, but claims must be processed at the ports. The emergency authority that Lankford argued permits the president to "close the border" is temporary — and doesn't even result in a full closure. Murphy celebrated:

EXPLAIN THIS: "Importantly, even during these emergency times, the border never fully closes."

<https://www.theblaze.com/news/chris-murphy-border-never-closes>

FOREIGN POLICY

Sen. Chris Murphy of Connecticut and other Democratic senators had a secret meeting with Iranian Foreign Minister Mohammad Javad Zarif during the Munich Security Conference last week, according to a source briefed by the French delegation to the conference. Murphy's office did not respond to repeated requests for comment by press time.

EXPLAIN THIS: Such a meeting would mean Murphy had done the type of secret coordination with foreign leaders to potentially undermine the U.S. government that he accused Trump officials of doing as they prepared for Trump's administration. In February 2017, Murphy demanded investigations of National Security Advisor Mike Flynn because he had a phone call with his counterpart-to-be in Russia.

SENATOR MURPHY: **EXPLAIN YOUR RESPONSE!**

HANDGUNS

Murphy was asked for his reaction to a Virginia federal court's ruling that a federal law barring the sale of handguns to adults under 21 is unconstitutional. The judge found that age-based restrictions "do not exist with other constitutional guarantees." He recklessly stated:

EXPLAIN THIS: "If the Supreme Court eventually says that states or the Congress can't pass universal background checks or can't take these assault weapons off the streets, I think there's going to be a popular revolt over that policy."

<https://thefederalist.com/2023/05/15/chris-murphys-dangerous-threat-of-popular-revolt-threatens-the-american-public/>

IRAN

In 2020, President Donald Trump attacked Iranian general Qassem Soleimani in Iraq. Murphy's comments on the Tuesday after the attack:

"The attack on our embassy in Baghdad is horrifying but predictable. Trump has rendered America impotent in the Middle East. No one fears us, no one listens to us. America has been reduced to huddling in safe rooms, hoping the bad guys will go away. What a disgrace."

However on the Thursday evening after Trump's successful attack, Murphy tweeted:

EXPLAIN THIS: "Soleimani was an enemy of the United States. That's not a question. The question is this – as reports suggest, did America just assassinate, without any congressional authorization, the second most powerful person in Iran, knowingly setting off a potential massive regional war?"

SENATOR MURPHY: **EXPLAIN YOUR RESPONSE!**

INFLATION REDUCTION ACT

The Democrats' Inflation Reduction Act is the largest-ever expansion of a government agency, as well as the largest expansion of the domestic police state in American history. When responding to the plan to hire 87,000 new IRS agents, Murphy said:

EXPLAIN THIS: the bill was passed to stop an . . . "epidemic of tax cheating amongst the millionaires and billionaires" and promised that "audit rates won't increase for anyone making under \$400K."

This is a lie because nothing in the bill that Democrats passed through the Senate limits audits. Murphy and every other Senate Democrat voted against a Republican amendment that would have prevented new agents from auditing individuals and small businesses with less than \$400,000 of taxable income.

<https://www.cbsnews.com/news/irs-audit-eitc-five-times-as-likely-to-get-audited/>

NUCLEAR IRAN

With regards to Iran, the Biden administration agreed to remove Iran's Islamic Revolutionary Guard Corps from the State Department's Foreign Terrorist List, to revise the restrictions on its nuclear program to expire six years sooner than under the terms of the old deal, and to allow access to \$90 billion in foreign exchange reserves, and then a further \$50-\$55 billion in extra revenue each year from higher oil and petrochemical exports, with no restrictions on how or where the money can be spent. All without the approval of Congress.

When asked to comment on his emphatic support Murphy stated:

EXPLAIN THIS: "It would be tragic if we didn't get back into the nuclear agreement. I have yet to hear Republicans present a plausible alternative for how we keep the region and the world safe from nuclear weapons without this diplomatic agreement."

<https://www.breitbart.com/politics/2022/06/16/rep-scott-perry-rips-sen-murphy-appeasing-terrorists-iran-murdered-hundreds-americans/>

SENATOR MURPHY: **EXPLAIN YOUR RESPONSE!**

THE BORDER

When asked by MSNBC host Chris Hayes why the border security bill focused on Ukraine funding rather than pushing for a path to citizenship in border legislation negotiations like the party has in the past, Murphy replied:

EXPLAIN THIS: “So you are right that has been the Democratic strategy for 30 years, maybe, and it has failed to deliver for the people we care about most, the undocumented Americans that are in this country.”

ANTI-SEMITISM

First, Murphy expressed outrage over Israeli Prime Minister Benjamin Netanyahu’s claim that the anti-Israel protesters over his speech before a joint session of Congress, were Hamas sympathizers.

In a subsequent statement on Wednesday, Murphy described Netanyahu’s congressional speech as “more a commentary of U.S. politics, rather than a path forward for Israeli and U.S. security,” as he blasted the Israeli leader’s “suggestion that any American who objects to the humanitarian catastrophe in Gaza is a Hamas sympathizer,” calling it “way out of bounds.”

Within hours of his original statement — and as scenes of the heated protest spread online — Murphy addressed the “disturbing images coming out of today’s protests at the Capitol” that he had seen.

EXPLAIN THIS: “I’ll always support Americans exercising their First Amendment rights but pro-Hamas cheers and messages of hate and antisemitism have no place in our country. Period.”
